VISCO 85

GET-WELL!

MADE BY DUVATEX

Description

First quality visco-elastic foam with unic thermo active qualities.
The combination of the high density and softness provides on the one hand an optimal pressure devision and on the other hand a comfortable, supportable mattress, suitable for hospitals, homes, ...

Technical specifications

Piece density:	***ISO 845***		80 kg/m³
Compression hardness	***ISO 3386 (CLD/40 %)***		2,4 kPa
Indentation hardness	***ISO 2439/B (ILD) (**)***	25%	50 N
		40%	80 N
		65%	200 N
Compression set:	***ISO 1856/A(75%)***		<10 %
Elongation at break:	***ISO 1798***		>150 %
Tensile strength:	***ISO 1798***		>50 kPa
Tear strength:	***ISO 8067***		>150 N/m
Resilience:	***ASTM D 3574/H***		<20 %
Fire tests:	***MVSS 302***		SE mm/min
	M4		pass
	BS5852/source 5 (*)		pass
Fire safety	***CRIB5***		
Anti bacterial:	***Bacteriumstatic treated against pathogenic and allergen micro organisms***
